Secretary to Government, Revenue Department,

Sir,

Subject Representation on behalf of H Sreenivasiah, permanent octroi manegar and acting Assistant Hackney Carriage Inspector of the City Municipality, Mysore to confirm him in his present post by granting him the necessary exemption

Adverting to your Memo No L 5164 dated the 13th December 1945 forwarding for favourable consideration the representation made by certain members of the Representative Assembly to the Minister for Public Health and Education on the 11th December 1945 praying for the consideration of the case of H Sreenivasiah and to confirm him in his present post of the Assistant Hackney Carriage Inspector, in view of the circumstances set forth therein, I have the honour to state that the official H Sreenivasiah started his service in this municipality as Octroi Manegar on 25-1-1930, and his service extends over a total period of over 15½ years He is a permanent Octroi Manegar in grade 20-1-25 and has reached the maximum pay of Rs 25/- in the grade with effect from 19-8-1945

In view of the abnormal rates of fares demanded by the Tonga owners and the inconvenience caused to the travellers to secure tongas at moderate rates, the municipal Council sanctioned the post of an Assistant Hackney Carriage Inspector on a pay ofRs 25/- plus C A of Rs 5/- p m for a period of three months in the first instance in order to regulate the tonga fares and to assist the travellers in securing tongas at the scheduled rate by remaining at the railway station, at the train times The Revenue Officer selected the above named Octroi Manegar as being the fittest person for the post and so he was appointed to this temporary post with effect from 16-6-1944 As this arrangement was found to be advantageous, and was of immense help to the travellers, the post was continued for a further period of six months and it has now been made permanent with a graded pay of Rs 25-1-40 plus C A of Rs 5/- as sanctioned in Government Order No L 12037-9/Ml 11-44-129 dated the 13th June 1945 The official is being continued in the post in the revised grade pending further orders In view of the revision of the grade pay of the post, the minimum qualification prescribed therefor is S S L C and besides a Pass in the Local Boards Examination is also necessary to become eligible for confirmation in the post The official has passed only the Kannada Lower Secondary Examination ~~The official has~~ As he was not eligible for the post in view of his low qualification, the vacancy has been reported to the Public Service Commissioner for advertisement, ~~of the~~ official being continued as a temporary measure pending the result of the advertisement It is seen that

the advertisement of the vacancy has now been made, as announced in the last week's Gazette In the meanwhile, the representation made on behalf of the official to the Minister has been received for consideration, and the Minister has been pleased to order thereon that the request made in the representation may be favourably considered The official has all along worked in the post from the beginning and it is more than 1½ years since he is holding the post He is found quite fit for the post and in view of his satisfactory work, the Vice-President under whom he is working, has strongly supported his case for sympathetic consideration and recommended his confirmation in the post But the educational qualification and the Local Boards Examination required for the post come in his way In view of the efficiency of the official's work, having put in a total service of over 15½ years and also of the fact that he belongs to a very backward Adikarnataka community, which is not adequately represented in this unit, I consider that the case of the official richly deserves encouragement

I therefore recommend that the official H Sreenivasiah be granted an exemption in regard to the general qualification and the Local Boards Examination and confirmed in his present post as Assistant Hackney Carriage Inspector, as he is found best suited for the post and his work is said to be quite satisfactory, the advertisement of the vacancy being ordered to be cancelled In lieu thereof, the vacancy of the Octroi Manegar released by H Sreenivasiah xx will be filled up as per P S C Rules x for which a Local N B candidate has already been appointed

The representation received with your Memo under reference is herewith retransmitted

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT
